Career Objective

A motivated Computer Science Engineering student specializing in Artificial Intelligence and Machine Learning. Proficient in web development and programming with skills in HTML, CSS, JavaScript, React.js, Java, and Python. Passionate about building innovative applications and eager to apply my knowledge to real-world projects. Seeking opportunities to enhance my technical expertise through internships, hands-on projects, and continuous learning in AI/ML and software development.

Education

Sri Venkateswara College of Engineering and Technology, Computer Science in Artificial Intelligence And Machine Learning Expected Graduation: May 2027

- GPA: 8.85/10.0

Brindavan Instititute of Technology and Science, Diploma In Electronics and Communication Engineering June 2021– May 2024

- GPA: 8.9 /10.0

Adarsha Vidyanikethan High School, Secondary School Of Education June 2020– April 2021

- GPA: 10.0 /10.0

Technical Skills

- Programming Languages: Python, Java, JavaScript
- Web Technologies: HTML, CSS, React Js, Bootstrap
- Development Tools: Git, GitHub, Vs-Code
- Concepts: Data Structures and Algorithms, Object-Oriented Programming, Problem Solving

Projects

Weather App Weather

- Problem: Inaccurate location-based services and route optimization and without real-time weather data.
- Solution: Integrate weather APIs to provide real-time weather updates ,enabling accurate loaction-based services and route optimization.
- Tools Used: HTML, CSS, JavaScript

Red Store(E-commerce) RedStore

- Problem: Small bussiness struggle to create an online store due to technical challenges and high cost.
- Solution: Create a responsive e-commerce website to showcase their products with a user-friendly interface and foster Experience in them.
- Tools Used: HTML, CSS JavaScript

Soft Skills

Soft Skills: Problem Solving, LeaderShip, Team Management, Communication, Adaptability, Positive Thinking

Certifications

- Participated in Accenture Innovation Challenge Online BootCamp.
- Participated in Google Gemini AI BootCamp.
- Certificate for Completion of Python Course from Udemy.
- Cerificate for Completion of Getting Started With Artificial Intelligence From IBM.
